MONEY MARKET.

WEDNESDAY, JUNE 26—P. M.

All the banks continue in active demand, and prices are steadily moving upward. At the first board to-day, Canton Co. advanced 1½ per cent; Morris Canal ½; Peckmores, ½; Harlan, ½; Stonington, ½; Reading Railroad, ½; N. A. Trust, ½; Hudson Railroad Bonds, second mortgage, ½; Erie, Hudson Railroad, and others, remain without change. Many of the transactions this morning were for cash, and several stocks which for some time past have been rather quiet, have become very active at steadily improving prices. Between the boards there was greater buoyancy, and many out-of-pocket operations were made. At the second board the market was firmly sustained, and closed with indications of a greater inflation. Erie Railroad was sold this afternoon, dividend off, at \$83, equal to 1½ per cent. Morris Canal went up ½; Dauphin Co., ½; Norwich and Worcester, ¾.

The steamship Europa, for Liverpool, to-day, carried out \$40,311 in specie principally American gold. We have no change to make in quotations for foreign exchange. The market was not very active this morning, but drawers were firm at previous rates.

The receipts at the office of the Assistant Treasurer of this port, to-day, amounted to \$86,401.80; payments, \$16,282.64; balance—\$8,364.816.70.
